Please fill in attached form. I need to know your team name and numbers, also menu choices.

Do not tell anyone else your team name as the ice-breaker round is to find out the names of the other teams.

Please, please, please do not leave it to the last minute or it will seriously affect the organisation. There will be a charity raffle, would all members please consider donating a prize. Even those not attending.

I look forward to receiving your prompt replies.
